

I also travel back in time, using this time travelling tuk tuk.

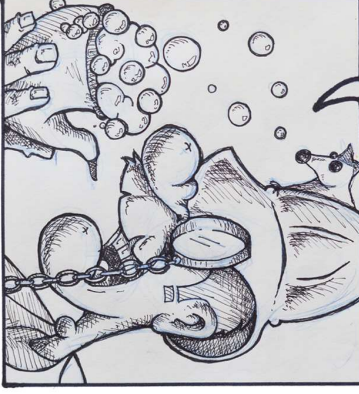

But I've gone one step further.

I love to explore the world of snacks and candy.

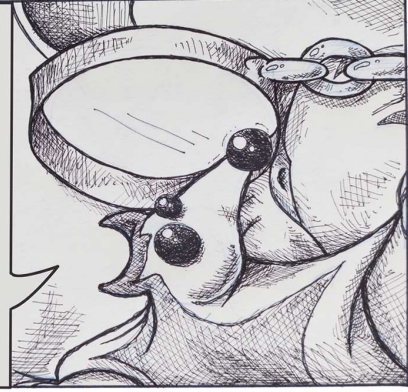

I am an explorer, with a particular passion.

Good day, my name is Sir Francis Sweetums III.

My tuk tuk is powered by the magical dust from my sugar glider Barbara.

So come with me and explore all the fun and history of candy, sweets and snacks of the world.

Barbara, wait for me!!!
